# Endorsements

*"I have worked with City Central Contracts on several occasions and recently carried out a Cat A office refurbishment at Carburton Street, London W1. We have had some extremely challenging projects where City Central Contracts have been instrumental throughout every phase. City Central Contracts' staff are professional, efficient, dedicated and committed to both detail and quality.*

*It has been refreshing to work with them, and consistently have a high-end finish where the projects have exceeded all expectations.*

*Few construction projects are built without running into unforeseen circumstances, but the completion of these in a timely manner without compromising quality is a true testament of what City Central Contracts are capable of.*

*We are more than satisfied with the past projects and look forward to a long and productive business relationship between our companies."*

**James Caan CBE**

*"I have been using City Central Contracts now for many years and would not hesitate to recommend them, they are very professional, reliable and always make sure the project is completed on time and on budget."*

**Paul Ryan MD – Astenway Ltd**

*"City Central Contracts provided an excellent service on our residential project in Bethnal Green. Their "can do" attitude, non-adversarial approach and ability to resource the project to a high standard of finish was a credit to them."*

**Project Director: McLaren Construction**

*"City Central Contracts has gone from strength to strength over the past few years, I would put its success down to the people they employ - they have an amazing can-do attitude and nothing is a problem."*
